Dear Applicant:

Due to an overwhelming number of requests for financial assistance we have exhausted all of the funds designated for this purpose.

We understand that this will limit the options for many households, especially during the upcoming summer season, but unfortunately, additional resources are simply not available. Applications for next year's program will be available beginning on **July 1, 2012**.

If you have questions, please do not hesitate to contact us at 240-777-6840.

Sincerely,

Gabriel Albornoz
Director
